The office of this corporation shall be located in the County of San Diego, State of California.

ARTICLE II

DEFINITIONS

Section 2.1. **Declaration.** "Declaration" shall mean and refer to that certain Declaration of Restrictions for The Pinnacle Museum Tower ("**Declaration**") recorded with the Office of the County Recorder of San Diego County, California (including such amendments thereto as may from time to time be recorded), which requires Owners of Condominiums to be Members of this Association.

Section 2.2. **Other Definitions.** The definitions of terms set forth in the Declaration shall also apply to these Bylaws.

ARTICLE III

VOTING RIGHTS IN ASSOCIATION

The Association shall have two (2) classes of voting membership as set forth in the Declaration.

ARTICLE IV

MEMBERSHIP ASSESSMENTS AND LIEN RIGHTS

The Association shall have the right to impose assessments as set forth in the Declaration.

ARTICLE V

MEMBERSHIP RIGHTS, PRIVILEGES AND PENALTIES

Section 5.1. **Rights of Use.** Members shall have the rights to use the Tower Association Property and the Common Area as set forth in the Declaration.

Section 5.2. **Suspension; Penalties.** The membership rights and privileges, together with the voting rights of any Member of the Association, may be suspended by the Board for the periods set forth in the Declaration. The Board may adopt rules and regulations imposing reasonable monetary penalties for such breach or noncompliance. Should the Board believe grounds may exist for any such suspension or imposition of monetary penalties, the Board shall give to the Member believed to be in violation at least fifteen (15) days' prior written notice of the intended suspension or proposed monetary penalty and the reasons therefor. The Member shall be given an opportunity to be heard before the Board either orally or in writing not less than five (5) days before the effective date of suspension. The notice required hereby may be given by any method reasonably calculated to provide actual notice. Any notice given by mail must be given by first class or registered mail sent to the last address of the Member shown on the Association's records. No suspension

shall affect the rights of such Member to access to the Owner's Residential Unit nor the Owner's right to use of any Exclusive Use Area appurtenant to his Residential Unit.

Section 5.3. Adoption of Monetary Penalty; Distribution of Policy to Members. If the Board adopts a policy imposing any monetary penalty, including any fee, on any Member for a violation of the Declaration or the Board's policies, including any monetary penalty relating to the activities of a guest or invitee of a Member, the Board shall adopt and distribute to each Member, by personal delivery or first-class mail, a schedule of the monetary penalties that may be assessed for those violations, which shall be in accordance with these Bylaws and the Declaration. The Board shall not be required to distribute any additional schedules of monetary penalties unless there are changes from the schedule that was previously adopted and distributed to Members.

ARTICLE VI

MEETINGS OF MEMBERS

Section 6.1. Place of Meeting. All meetings of Members shall be held at the Project or at such other location in San Diego County, California, as close to the Project as reasonably possible as may be designated in the notice of meeting.

Section 6.2. Annual Meetings of Members. The first annual meeting of Members shall be held no later than six (6) months after the first close of escrow for the sale of a Condominium to a Retail Purchaser. Subsequent regular annual meetings of the Members shall be held on the date determined by the Board provided that such annual meeting is held during the period commencing on the annual anniversary of the first annual meeting and ending four (4) weeks thereafter. Such meeting shall be held at the time determined by the Board. An election of directors shall be held at the first annual meeting of Members and all positions of director shall be filled at that election.

Written notice of each such annual meeting shall be given to each Member and, to all first Mortgagees who request notice, either personally or by sending a copy of the notice through the mail, first class, registered or certified, or by telegraph, charges prepaid, to his address appearing on the books of the Association or supplied by him to the Association for the purpose of notice. If no address is supplied, notice shall be deemed to have been given to him if mailed to the address of the Condominium owned by such Member or encumbered by the first Mortgagee, or published at least once in some newspaper of general circulation in the county of said principal office. All such notices shall be sent not less than ten (10) days and not more than ninety (90) days before each annual meeting, and shall specify the place, day and hour of such meeting, and those matters which the Board at the time of mailing the notice intends to present for action by the Members; however, except as otherwise provided by law, any proper matter may be presented at the meeting for action. An Eligible Mortgage Holder shall be entitled to designate a representative who shall have the right to attend all meetings of Members.

Section 6.3. Special Meeting. Special meetings of Members, for any purpose or purposes whatsoever, may be called at any time by the president or by a majority of a quorum of the Board, and shall be called by the Board upon receipt of a written request for a special meeting signed by Members representing at least five percent (5%) or more of the total voting power of the Members. Except in special cases where other express provision is made by statute, notice of such special meetings shall be given in the same manner as for annual meetings of Members. Notices of any special meeting shall specify in addition to the place, day and hour of such meeting, the general nature of the business to be transacted.

Section 6.4. Adjourned Meetings and Notice Thereof. Any membership meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of a majority of the voting power present in person or represented by proxy, but in the absence of a quorum no other business may be transacted at any such meeting.

When any membership meeting, either annual or special, is adjourned for thirty (30) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid,

it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting other than by an announcement at the meeting at which such adjournment is taken.

Section 6.5. Mortgage Representation. First Mortgagees shall have the right to attend all membership meetings through a representative designated in writing and delivered to the Board but, except as otherwise provided in the Declaration or Bylaws, the first Mortgagee shall have no voting rights.

Section 6.6. Voting. Voting of the Members may be by voice or by ballot, except that all elections for directors shall be by secret written ballot.

Section 6.7. Quorum. Except as stated in the Articles of the Declaration entitled "COVENANT FOR MAINTENANCE ASSESSMENTS TO ASSOCIATION" and "DAMAGE, DESTRUCTION AND CONDEMNATION OF COMMON AREA OR TOWER ASSOCIATION PROPERTY", or as may otherwise be stated in the Declaration, the Articles or these Bylaws, the presence in person or by proxy of a majority of the voting power entitled to vote at any meeting shall constitute a quorum for the transaction of business. The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough voting power to leave less than a quorum. In the event any meeting of Members cannot be held because a quorum is not present, the Members present, either in person or by proxy, may adjourn the meeting to a time not less than five (5) days nor more than thirty (30) days from the time of the original meeting date, at which meeting the quorum requirement shall be twenty-five percent (25%) of the voting power of the membership of the Association; provided, however, if after adjournment a new date is fixed for the adjourned meeting, notice of the time and place of the adjourned meeting shall be given to Members in the manner prescribed for regular meetings; provided further, that in the event the quorum requirement becomes twenty-five percent (25%) of the voting power of the membership, then the only matters that may be voted upon at any meeting actually attended in person or by proxy by one-third (1/3) or less of the voting power are matters the general nature of which was set forth in the notice of meeting.

Section 6.8. Consent of Absentees. The transactions of any meeting of Members, either annual or special, however called and noticed, shall be as valid as though had at a meeting duly held after regular call and notice if a quorum be present either in person or by proxy and if, either before or after the meeting, each of the Members entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 6.9. Action Without Meeting. Any action which may be taken at a meeting of the Members, except the election of directors by cumulative voting, may be taken without a meeting if done in compliance with the provisions of Section 7513 of the California CORPORATIONS CODE.

Section 6.10. Proxies. Every person entitled to vote or execute consents shall have the right to do so either in person or by a written proxy executed by such person and filed with the secretary of the Association. All proxies shall be revocable and shall automatically terminate upon transfer of title of a Condominium by the Owner. Any such form of proxy or written ballot shall afford the opportunity to specify a choice between approval and disapproval of each matter or group of matters to be acted upon, except that a candidate for election to the Board need not be named in a proxy or written ballot. The proxy or written ballot shall provide that, where the Member specifies a choice, the vote shall be cast in accordance with that choice. The proxy shall also identify the person or persons authorized to exercise the proxy and the length of time it will be valid.

Section 6.11. Parliamentary Procedures. Meetings of the Members shall be conducted in accordance with a recognized system of parliamentary procedure or such parliamentary procedures as the Association may adopt.

ARTICLE VII

DIRECTORS

Section 7.1. Number and Qualifications of Directors. The Board will initially consist of three (3) directors. However, the Board shall be increased to five (5) directors as of the first annual meeting of Members and shall thereafter remain a five (5) member Board.

Section 7.2. Election and Term of Office. Declarant shall appoint all three (3) directors to hold office until the first annual meeting of Members. Commencing with the first annual meeting of Members and at each annual meeting thereafter, the directors shall be elected by the Members. Each of the three (3) directors who received the greatest number of votes at the first annual meeting of members shall hold office for a two (2) year term and each of the remaining two (2) directors shall hold office for a one (1) year term. Directors shall be elected at each annual meeting of Members following the first annual meeting of Members to fill the vacancies of those directors whose term then expires, and each director so elected shall hold office for a two (2) year term. Each Member shall have the right to nominate from the floor candidates for the office of director. If any annual meeting is not held or the directors are not elected at an annual meeting, the directors may be elected at any special meeting of Members. All directors shall hold office until their successors are elected. Anything herein stated to the contrary notwithstanding, at the first election of directors by Members and thereafter for so long as a majority of the voting power of Members is held by Declarant, or so long as there are two (2) outstanding classes of membership, no fewer than twenty percent (20%) of the directors (but no fewer than one director) shall be elected solely by the voting power of Members other than Declarant. Furthermore, Declarant shall have the right at its discretion, at any meeting in which directors are being elected, to allow two (2) directors to be elected solely by the voting power of Members other than Declarant.

The directors shall be elected by secret written ballot. No Member shall be entitled to cumulate votes (i.e., cast for any one or more candidates a number of votes greater than the number of votes to which such membership is entitled) unless the candidate's or candidates' names have been placed in nomination prior to the voting and the Member has given notice at the meeting prior to the voting of the Member's intention to cumulate votes. If any one Member has given such notice, then every Member shall have the right to cumulate votes and give one (1) candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the Member is entitled, or to distribute such Member's votes on the same principle among as many candidates as such Member shall think fit. The candidates receiving the highest number of votes up to the number of directors to be elected shall be elected.

Any director elected to office solely by the votes of Members other than Declarant, as provided above, may be removed from office without cause prior to the expiration of his term only upon the vote of a simple majority of the voting power of Members other than Declarant. Any other director may be removed from office without cause prior to the expiration of his term upon the vote of a simple majority of the voting power of all Members. The foregoing notwithstanding, no individual director may be removed (unless the entire Board is removed) prior to the expiration of such director's term of office if the number of votes cast against removal or not consenting in writing to removal would be sufficient to elect the director if voted cumulatively at an election at which the same total number of votes were cast (or, if action is taken by written consent, all voting power entitled to vote were voted) and the entire number of directors authorized at the time of the most recent election of directors were then being elected.

Section 7.3. Vacancies. Vacancies in the Board created by death or resignation may be filled by a majority of the remaining directors, though less than a quorum, and each director so elected shall hold office until a successor is elected at an annual meeting of Members or at a special meeting called for that purpose. Vacancies created by the removal of any director may be filled only by the vote of the membership. The Members may at any time elect directors to fill any vacancy not filled by the directors, and may elect the additional directors at the meeting at which an amendment of the Bylaws is voted, authorizing an increase in the number of directors. Any election of directors by written consent shall require the consent of a majority of the outstanding voting power entitled to vote; provided, however that no director shall be elected by written consent to fill a vacancy created by removal except by the unanimous written consent of all Members entitled to vote for the election of directors. If any director tenders a resignation from the Board, the Board shall have

the power to elect a successor to take office at such time as the resignation shall become effective. No reduction of the number of directors shall have the effect of removing any director prior to the expiration of such director's term of office.

Section 7.4. Organization Meeting. Immediately following each annual meeting of Members, the Board shall hold a regular meeting for the purpose of organization, election of officers and the transaction of other business. Notice of such meeting is hereby dispensed with.

Section 7.5. Other Regular Meetings. Regular meetings of the Board shall be held quarterly unless the Board determines by its resolution to hold less or more frequent meetings. Regular Board meetings shall be held at least quarterly after the first annual meeting of Members. Board meetings shall be held at such place and hour within the Project as may be fixed from time to time by resolution of the Board. However, Board meetings may be held outside the Project if the Board determines that a larger meeting room is required, in which case the meeting room selected shall be as close as possible to the Project. Notice of all such regular meetings of the Board shall be posted at a prominent place within the Project and communicated to the directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to the holding of the meeting.

Section 7.6. Special Meetings. Special meetings of the Board for any purpose or purposes shall be called at any time by the president, or by any two (2) directors other than the president.

Written notice of the time and place of special meetings and the nature of any special business to be considered shall be posted in the manner prescribed for notice of regular meetings and shall be sent to all directors by first class mail not less than four (4) days prior to the scheduled time of the meeting, or such notice shall be delivered personally or by telephone or telegraph not less than seventy-two (72) hours prior to the scheduled time of the meeting; provided, however, notice of the meeting need not be given to any director who has signed a waiver of notice or a written consent to the holding of the meeting.

Section 7.7. Compensation and Fees. Neither the directors nor the officers of the Association shall receive any monetary compensation for their services performed in the conduct of the business of the Association unless the monetary compensation is, by vote at a meeting or by written ballot without a meeting pursuant to California CORPORATIONS CODE Section 7513, approved by a majority of the voting power of Members of the Association, other than Declarant, constituting a quorum consisting of more than fifty percent (50%) of the voting power of Members of the Association other than Declarant. Nothing herein contained shall be construed or preclude any director or officer from serving the Association in any other capacity as an agent, employee or otherwise and receiving compensation therefor. Directors and officers of the Association may be reimbursed for expenses incurred in carrying on the business of the Association; provided, however, that no such expenses in excess of \$50.00 during any fiscal year of the Association shall be reimbursed by the Association to any person without the approval of the Board.

Section 7.8. Attendance at Meetings and Executive Sessions. Regular and special meetings of the Board shall be open to all Members. The Board may, with the vote of a majority of its members present at a meeting in which a quorum has been established, adjourn to executive session in which Members of the Association may be excluded, to consider litigation, matters that relate to the formation of contracts with third parties, or personnel matters. The nature of any and all business to be considered in executive session shall first be announced in open session. Any matter discussed in executive session shall be generally noted in the minutes of the Board immediately following the Board meeting open to the entire membership. In any matter relating to the discipline of a Member, the Board shall meet in executive session if requested by that Member, and the Member shall be entitled to attend the executive session.

The Board shall permit any Member to speak at any meeting of the Members or the Board, except meetings of the Board held in executive session. A reasonable time limit for all Members of the Association to speak to the Board or before a meeting of Members shall be established by the Board.

Section 7.9. Quorum. A majority of the directors shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision done or made

by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board.

Section 7.10. Adjournment. A quorum of the directors may adjourn any directors' meeting to meet again at a stated time and hour; provided, however, that in the absence of a quorum, a majority of directors present at the directors' meeting, either regular or special, may adjourn from time to time until the time fixed for the next regular meeting of the Board.

Section 7.11. Waiver of Notice. The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though had at a meeting to be held after regular call and notice if a quorum be present, and if, either before or after the meeting, each of the directors not present signs a written waiver of notice or a consent to holding such meeting or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Nothing contained herein shall remove the obligation to post the notice of all directors' meetings on the Common Area or Tower Association Property.

Section 7.12. Entry of Notice. Whenever any director has been absent from any special meeting of the Board, an entry in the minutes to the effect that notice has been duly given shall constitute a rebuttable presumption that due notice of such special meeting was given to such director as required by law and these Bylaws.

Section 7.13. Notice of Adjournment. Notice of any adjournment of any directors' meeting, either regular or special, to another time or place shall be given prior to the time of the adjourned meeting to the directors who were not present at the time of the adjournment.

Section 7.14. Action Without Meeting. Any action required or permitted to be taken by the Board may be taken without a meeting, if all members of the Board individually or collectively consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. An explanation of the action to be taken or actually taken by the Board shall be given to the Members of the Association within three (3) days after all written consents have been obtained. The explanation shall be given in the same manner as provided in the Section of this Article entitled "**Other Regular Meetings**" for the giving of notice of regular meetings of the Board. Failure to give such notice shall not render the action to be taken or actually taken invalid.

Section 7.15. Indemnity. The Association shall indemnify any present or former director or officer of the Association to the fullest extent authorized under California CORPORATIONS CODE Section 7237, or any successor statute, and may advance to any such person funds to pay expenses that may be incurred in defending any action or proceeding on receipt of an undertaking by or on behalf of such person to repay such amount unless it is ultimately determined that such person was entitled to be indemnified under this provision.

Section 7.16. Board Minutes to be Available to Members. The minutes, minutes proposed for adoption that are marked to indicate draft status, or a summary of the minutes, of any meeting of the Board, other than an executive session, shall be available to Members within thirty (30) days of the meeting. The minutes, proposed minutes, or summary minutes shall be distributed to any Member upon request and upon reimbursement of the Association's costs in making that distribution.

Members shall be notified in writing at the time that the Association's pro forma budget is distributed or at the time of any general mailing to the entire membership of the Association of their right to have copies of the minutes of meetings of the Board and how and where those minutes may be obtained.

ARTICLE VIII

OFFICERS

Section 8.1. Officers. The officers of the Association shall be a president, a vice president, a secretary and a chief financial officer and such other officers as the Board may from time to time by resolution

create. Officers other than the president need not be directors. One (1) person may hold two (2) or more offices.

Section 8.2. Election. The president, vice president, secretary and chief financial officer shall be chosen annually by the Board, and each shall hold his or her office until such officer shall resign, or shall be removed or otherwise disqualified to serve, or a successor shall be elected and qualified.

Section 8.3. Removal and Resignation. Any officer may be removed, either with or without cause, by a majority of the directors in office at the time, at any regular or special meeting of the Board.

Any officer may resign at any time by giving written notice to the Board or the president, or to the secretary of the Association. Any such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 8.4. Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or any other cause shall be filled in the manner prescribed in the Bylaws for regular appointments to such office.

Section 8.5. President. The president shall be the chief executive officer of the Association and shall, subject to the control of the Board, have general supervision, direction and control of the business and officers of the Association. The president shall preside at all meetings of the Members and at all meetings of the Board. The president shall be ex-officio a member of all standing committees, including the executive committee, if any, and shall have the general powers and duties of management usually vested in the office of president of a corporation, and shall have such other powers and duties as may be prescribed by the Board or by the Bylaws.

Section 8.6. Vice President. In the absence or disability of the president, the vice president shall perform all the duties of the president, and when so acting shall have all powers of and be subject to all the restrictions upon the president. The vice president shall have such other powers and perform such other duties as from time to time may be prescribed for him by the Board or by the Bylaws.

Section 8.7. Secretary. The secretary shall keep, or cause to be kept, a book of minutes at the principal office or such other place as the Board may order of all meetings of directors and Members, with the time and place of holding, whether regular or special and if special how authorized, the notice thereof given, the names of those present at the directors' meetings, the number of memberships present or represented at Members' meetings and the proceedings thereof.

The secretary shall give, or cause to be given, notice of all the meetings of the Members and of the Board required by the Bylaws or by law to be given, and he shall have such other powers and perform such other duties as may be prescribed by the Board or the Bylaws.

Section 8.8. Chief Financial Officer. The chief financial officer shall keep and maintain, or cause to be kept and maintained, adequate and correct accounts of the properties and business transactions of the Association, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital and surplus. The books of account shall at all times be open to inspection by any director.

The chief financial officer shall deposit all moneys and other valuables in the name and to the credit of the Association with such depositories as may be designated by the Board. He or she shall disburse the funds of the Association as may be ordered by the Board, shall render to the president and directors, whenever they request it, an account of all of his or her transactions as chief financial officer and of the financial condition of the Association, and shall have such other powers and perform such other duties as may be prescribed by the Board or the Bylaws.

Section 8.9. Deposits By Property Manager. The Board may designate a professional property management company to collect assessments and make deposits. A separate trust account shall be established for the Association so that the Association's deposits will not be commingled with non-Association

funds. Another separate trust account, complying with the requirements of the Article below entitled **"OPERATING AND RESERVE ACCOUNTS"**, shall be established in the name of the Association for the deposit of reserves and the Association shall require its property manager, if one is designated, to deposit reserves in such separate account on at least a monthly basis. In the event the Association authorizes a property manager to collect assessments or make deposits, the Association shall maintain a fidelity bond in an appropriate amount naming the Association as obligee and insuring against loss by reason of the acts of the management agent and its employees. The fidelity bond shall be in an amount equal to not less than three (3) months' aggregate regular assessments (including reserves) by the Association against all Condominiums then subject to assessment.

Section 8.10. Signing Checks, Etc. All checks, notes, leases and deeds of trust of the Association shall be signed by at least two persons who hold offices of this Association, and one such person must be the president or the vice president.

The Board may designate a professional property management company to pay the Association's operating expenses from the non-reserve trust account established pursuant to the Section above entitled **"Deposits By Property Manager"**.

ARTICLE IX

POWERS AND DUTIES OF ASSOCIATION

Subject to the Declaration, the Articles of Incorporation and the California Nonprofit Corporation Law applicable to mutual benefit corporations, the Board shall have the following powers and duties:

Section 9.1. Selection of Officers. To select and remove all officers, agents and employees of the Association, prescribe such powers and duties for them as may not be inconsistent with law, the Declaration, the Articles of Incorporation or these Bylaws, and, subject to the provisions of the Section entitled **"Compensation and Fees"** of Article VII of these Bylaws, to fix their compensation.

Section 9.2. Management of Business. To conduct, manage and control the affairs and business of the Association, and to make such rules and regulations therefor not inconsistent with law, the Declaration, the Articles of Incorporation or these Bylaws as they deem best, including rules and regulations for the operation of the Common Area and Tower Association Property and the facilities owned or controlled by the Association.

Section 9.3. Borrowing of Money. ARTICLE X

OPERATING AND RESERVE ACCOUNTS

Section 10.1. Definitions. As used in this Article:

(a) **"Reserve accounts"** means moneys that the Board has identified for use to defray the future repair or replacement of, or additions to, those major components which the Association is obligated to maintain.

(b) **"Reserve account requirements"** means the estimated funds which the Board has determined are required to be available at a specified point in time to repair, replace, or restore those major components which the Association is obligated to maintain.

Section 10.2. Reviews. The Board shall do the following:

(a) Review a current reconciliation of the Association's operating accounts on at least a quarterly basis.

(b) Review a current reconciliation of the Association's reserve accounts on at least a quarterly basis.

(c) Review, on at least a quarterly basis, the current year's actual reserve revenues and expenses compared to the current year's budget.

(d) Review the latest account statements prepared by the financial institutions where the Association has its operating and reserve accounts.

(e) Review an income and expense statement for the Association's operating and reserve accounts on at least a quarterly basis.

Section 10.3. Signatures on Checks. The signatures of at least (i) two directors or (ii) one officer who is not a director and the signature of a director shall be required for the withdrawal of moneys from the Association's reserve accounts.

Section 10.4. Limitation on Expenditure of Reserve Funds.

(a) Except as provided in **Subsection 10.4(b)** below, the Board shall not expend funds designated as reserve funds for any purpose other than the repair, restoration, replacement or maintenance of, or litigation involving the repair, replacement or maintenance of, major components which the Association is obligated to repair, restore, replace or maintain and for which the reserve fund was established.

(b) The Board may authorize the temporary transfer of money from a reserve fund to the Association's general operating fund to meet short-term cash flow requirements or other expenses, provided the Board has made written findings, included in the Board's minutes, explaining the reasons the transfer is needed and describing when and how the money will be repaid to the reserve fund. The transferred funds shall be restored to the reserve fund within one year of the date of the initial transfer, except the Board may, upon making a finding supported by documentation that a temporary delay would

be in the best interests of the project, temporarily delay the restoration. The Board shall exercise prudent fiscal management in maintaining the integrity of the reserve account, and shall, if necessary, levy a special assessment to recover the full amount of the expended funds within the time limits required by this Subsection. A special assessment made by the Board pursuant to this Subsection is subject to the limitations imposed by Section 1366 of the California CIVIL CODE. The Board may extend the date the payment of the special assessment is due. Any extension shall not prevent the Board from pursuing any legal remedy to enforce the collection of an unpaid special assessment.

(c) In the event the Board decides to use reserve funds or to temporarily transfer money from the reserve funds to pay for litigation, the Board shall notify the Members of the decision in the next available mailing to Members pursuant to Section 5016 of the California CORPORATIONS CODE and of the availability of an accounting of those expenses. The Board shall provide an accounting of expenses related to the litigation at least quarterly and shall make the accounting available for inspection by Members at the office of the Association.

Section 10.5. Reserve Study. Pursuant to CIVIL CODE Section 1365.5(e), at least once every three (3) years the Board shall cause to be conducted a reasonably competent and diligent visual inspection of the accessible areas of the major components which the Association is obligated to repair, replace or maintain as part of a study of the reserve account requirements of the project to be conducted if the current replacement value of the major components which the Association is obligated to repair, replace, restore, or maintain is equal to or greater than one-half of the gross budget of the Association for any fiscal year which excludes the Association's reserve account for that period. The Board shall review this study annually and shall consider and implement necessary adjustments to the Board's analysis of the reserve account requirements as a result of that review.

The study required by this Section shall at a minimum include:

(a) Identification of the major components which the Association is obligated to repair, replace, restore, or maintain which, as of the date of the study, have a remaining useful life of less than thirty (30) years.

(b) Identification of the probable remaining useful life of the components identified in **Subsection 10.5(a)** as of the date of the study.

(c) An estimate of the cost of repair, replacement, restoration, or maintenance of each major component identified in **Subsection 10.5(a)** during and at the end of its useful life.

(d) An estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain each major component during and at the end of its useful life, after subtracting total reserve funds as of the date of the study.

An Eligible Mortgage Holder who receives a written request to approve amendments (including additions) who does not deliver or mail to the requesting party a negative response within thirty (30) days, shall be deemed to have approved such request provided that such written request was delivered by certified mail or registered mail, with "return receipt" requested.

The percentage of voting power necessary to amend a specific clause or provision of these Bylaws shall not be less than any percentage of affirmative votes prescribed for action to be taken under that clause.

ARTICLE XII

VOTING BY DECLARANT

Prior to conversion of the Class B membership in the Association to Class A membership, any procedure, action or matter for which the Bylaws require the approval of a prescribed majority of the voting power of Members of the Association other than Declarant shall require the vote or written assent of (i) a bare majority of the Class B voting power, and (ii) the prescribed majority of the Class A voting power. After conversion of the Class B membership in the Association to Class A membership, any procedure, action or matter for which the Bylaws require the approval of a prescribed majority of the voting power of Members of the Association other than Declarant shall require the vote or written assent of (A) a bare majority of the total voting power of Members of the Association, and (B) the prescribed majority of the total voting power of Members of the Association other than Declarant.
